WHAT IS A SMART METER?

**SMART METERS ARE ENERGY METERS
THAT DISPLAY HOW MUCH GAS AND
ELECTRICITY YOUR BUSINESS IS USING
WITH REAL-TIME DATA. THIS ALLOWS
BUSINESSES TO MONITOR HOW MUCH
MONEY THEY'RE SPENDING ON ENERGY
AND ALLOWS THEM TO SEE USAGE
LEVELS.**

BENEFITS OF SMART METERS FOR BUSINESSES

- **SAVES YOU MONEY**
- **HELPS WITH CARBON REDUCTION**
- **FREE TO INSTALL**
- **NO NEED FOR SUBMITTING METER READINGS**
- **REMOVES BAD ESTIMATES**
- **REGULAR METER INFORMATION**

WHY ARE SMART METERS IMPORTANT FOR BUSINESSES?

BY GETTING AUTOMATED READINGS EVERY 30 MINUTES, BUSINESSES WILL ONLY PAY FOR THE ENERGY THEY'RE USING, NOT ESTIMATES FROM SUPPLIERS WHICH CAN SOMETIMES BE OFF. SO, BY SAVING MONEY AND HAVING A VIEW OF ENERGY USAGE, SMART METERS COULD BE VIEWED AS AN IMPORTANT TOOL FOR BUSINESSES.

DO I NEED TO PAY FOR A BUSINESS SMART METER?

**MOST BUSINESSES WON'T HAVE TO PAY FOR THE
INSTALMENT OF A SMART METER. LARGE BUSINESSES
THAT ARE MOVING SITE OR ARE ADDING SITES MAY
FIND ADDITIONAL COSTS, BUT THE MAJORITY OF
BUSINESSES WON'T NEED TO PAY FOR A SMART METER.
THIS WILL BE DEPENDENT ON WHO YOUR PROVIDER
IS, SO IT IS RECOMMENDED TO SPEAK WITH YOUR
CURRENT PROVIDER.**
